

St Luke's C of E Primary School – Topic Overview

Reception – Meet Little Me

Enquiry Questions

What makes me unique?

How can I be a good friend?

Why do we have rules?

What is it all about?

Our first half term is all about getting to know each other and finding out what school is all about. Through learning our school values of Love, Courage and Hope, we will celebrate each other's differences and understand how to be a good friend and learner. We will get to know each other and talk about ourselves: our families, our homes, our interests and our favourite things.

We are many amazing things... here are some examples:

...successful learners – we will be following our new rules and routines.

...part of a community – we will find out what it means to be part of St Luke's Primary school.

...singers - we will be singing our favourite songs and nursery rhymes.

...artists – we will be drawing self-portraits and portraits of our friends and families.

...explorers - we will be discovering our new learning environment.

...kind friends – we will learn what it means to be a good friend and how to care for those around us.

Key Vocabulary

favourite sharing talking listening families
